RNLA PRAISES GOV. MIKE PENCE AS TRUMP VP PICK

WASHINGTON, DC - The Republican National Lawyers Association (RNLA) praises the presumptive Republican presidential nominee Donald Trump for his selection of Indiana Governor Mike Pence as his running mate. Mr. Trump announced Gov. Pence as his Vice Presidential running mate via Twitter today.

RNLA's leaders reacted favorably to today's announcement.

RNLA President Larry Levy said: "Governor Pence is a dedicated conservative who has demonstrated his leadership abilities in his able management of the state of Indiana for over three years. He served in Congress for twelve years, serving on multiple committees including the Foreign Affairs Committee Subcommittee on Middle East and South Asia, the Judiciary Committee Subcommittee on the Constitution, and the Judiciary Committee Subcommittee on Intellectual Property, Competition, and the Internet. In addition, he chaired the conservative Republican Study Committee. Gov. Pence is also an experienced attorney who will work to uphold the rule of law in the executive branch."

RNLA Co-Chair Kimberly Reed said: "Donald Trump expressed a wish to add government experience to the Republican ticket with his vice presidential selection, and he has picked wisely in choosing Gov. Pence. Gov. Pence's governing experience and conservative credentials combined with Mr. Trump's extensive business and leadership experience provide a clear best choice for voters in November."

RNLA Indiana Chapter Leader and Board of Governors Member Thomas Wheeler said: "Governor Pence brings a wealth of experience to the ticket, including 12 years in Congress and four years as the 50th Governor of the State of Indiana. His conservative credentials as Chair of the House Republican Conference provide the perfect balance for the ticket."

RNLA Executive Director Michael Thielen said: "Governor Pence has been a leader inside and outside of Washington, DC. He will be a great addition to the ticket."

Throughout his campaign, Mr. Trump has made wise choices that have resonated with the American people, and the selection of Gov. Pence is one of the best examples of Mr. Trump's good decisions.
